

### **#1 - The Value Of A Mother & Wife, vs. 10**

### **#2 - The Job Description Of Motherhood, vs. 11-27**

Vs. 12 - This kind of woman is an asset, not a liability, to her husband.

Vs. 13 - With eager hands is literally, “with the delight of her hands,” suggesting that she enjoys her work.

Vs. 15 - Though she has household help she herself gets up early, before daybreak, to help prepare breakfast and food for other meals, and to delegate work (portions) to her servants.

Vs. 17 - She has a healthy attitude toward work.

Vs. 18 - The fact that her lamp does not go out speaks of her planning ahead. The five virgins whose lamps did not go out were praised for their foresight (Matt. 25:4).

Vs. 23 - Though she is obviously aggressive and competent, she functions in a way that honors her husband’s leadership rather than denigrates it. She respects him and builds him up.
