

PART 6
THE GOD OF ME
DANIEL 4

Are you sitting on the throne of your own heart?

Here are some questions you can ask yourself to help determine if you are sitting on the throne of your own heart:

Question #1: What motivates you?

For Nebuchadnezzar, his motivation was to impress others.

Question #2: What is your standard for success?

For Nebuchadnezzar, it was personal gain.

Question #3: What's your source of power?

For Nebuchadnezzar, it was self empowerment.

Question #4: What's the purpose of your life?

For Nebuchadnezzar, it was personal happiness.

When God sits on the throne of our heart, the answers to these same questions are different:

What motivates you? Instead of “impressing others” that answer becomes “pleasing God”.

What is your standard for success? Instead of “personal gain” the answer becomes “faithfulness to God”.

What's your source of power? Instead of “self-empowerment” your answer becomes “dependence on God”.

What is the purpose of your life? Instead of answering “personal happiness” your answer becomes “God's Glory”.
