#3 - The **First** Resurrection, Revelation 20:5-6

“The order of events in the resurrection program would be:

- (1) the resurrection of Christ as the beginning of the resurrection program (I Cor. 15:23);
- (2) the resurrection of the church age saints at the rapture (I Thess. 4:16);
- (3) the resurrection of the tribulation period saints (Rev. 20:3-5), together with

(4) the resurrection of Old Testament saints (Dan. 12:2; Isa. 26:19) at the second advent of Christ to the earth;

(5) the final resurrection of the unsaved dead (Rev. 20:5, 11-14) at the end of the millennial age.

The first four stages would all be included in the first resurrection or resurrection to life, inasmuch as all receive eternal life and the last would be the second resurrection, or the resurrection unto damnation, inasmuch as all receive eternal judgment at that time.”
